ABOUT US

Little Groovers is a ministry of Kingsley Church of Christ as a way of sharing the love of God with children & families in our community. It is run by volunteers, who all have WWC accreditation.

OUR AIM

To provide a safe and friendly environment for children to learn music appreciation, encourage their development and self-confidence while having lots of fun.

OUR PROGRAM

9.30am Music session (please note that there will be some songs containing Christian content)

10.15am Morning tea / bubbles / free play

11.00am Session finish

Cost: \$6.00

(all sessions to be paid in advance for the term)

We encourage you to get involved in the music session with your child/children. Children are great imitators! By being actively involved you will not only assist in your child's development and learning, but you will also reinforce the bond that exists between you both.

Tea, coffee and morning tea is provided for adults only. Please bring prepared fruit for your child. Children will sit down for snack time following bubbles in the courtyard.

PRAYER & SUPPORT

We consider it a real blessing to be praying for you. To share a prayer request with us, please make use of our Little Groovers prayer box (on the kitchen counter), via email or speak to one of our team members.
